District Superintendent's Report

In spite of budget challenges during the 2009-2010 school year, the Fort Mill School District continued to provide outstanding educational opportunities to the students of the district.

School districts in South Carolina experienced two mid-year reductions in funding during the school year due to the weakened economy. In total, 9.04% was cut from the beginning budget, which equated to approximately \$2.3 million for the district. The cuts were addressed through reductions in travel, equipment budgets, and transferring monies from the fund balance. In addition, the district began the year with over 400 new students than the previous year.

In spite of the challenges associated with the decreases in funding and increases in student enrollment, the district was the only district in the state to receive an Excellent rating on the state report card. This rating is based primarily on gains in student achievement as measured by state and national tests. Individual and school awards were too numerous to mention, but the following deserve recognition: Springfield Middle School was honored as a Red Carpet School, and both the Fort Mill High School and Nation Ford High School bands won their respective state championships. A Fort Mill High School wrestler and a cross-country runner won state championships, as did the archers at Springfield Middle School.

Even though we face additional financial issues as we go forward, the School Board, the administration, the teachers, and staff pledge to continue to provide a quality educational program to our constituents. As always, we will focus our resources at the classroom level. Thank you for your past support. The district looks forward to continuing to work with our community in ensuring that we adhere to the motto of "Children First."

James N. Epps, Jr., Ph.D., Superintendent
